Send Laundry at the Touch of a Button

No more smelly laundry baskets in your bedrooms, closets & bathrooms

- Cosmetic wall ports that complement the look and feel of your home.
- Locate your Laundry room anywhere you want.
- Move dirty laundry from any room in your house at the touch of a button

Transport Laundry from Any Room on Any Floor

Laundry Jet is not restricted by laundry room location and works seamlessly in your home

- A fun way to encourage children of all ages to tidy the dirty clothes from their room
- Time-saving technology
- Robust system strong enough to move clothing, bedding, jeans, and damp towels
- Never haul dirty laundry again

Touchless Delivery to Laundry Room

Laundry Jet is the modern way to send dirty laundry to the laundry room in seconds

- Simple solution for physically impaired or elderly persons
- Laundry will self-empty once it arrives in the laundry room enabling continuous use
- Automatic timer shut off after clothing arrives
- Free up more time for more important things
